

## Announcements from ACCC

The new Association of Certified Christian Chaplains' Membership Section was announced at our 2018 Soul Care Conference after a soft launch two months ago. All individuals who have paid their dues for 2018 should have access to this new membership section which includes a member directory for networking purposes.

Only members current on their dues can access the system and it is tied to the email address that we have on file. If you are unable to access, either we do not show you as current on your dues, or the email address we have on file for you is not correct. Please email the administrator, Richard DeFord at [Richard.deford@certifiedchaplains.org](mailto:Richard.deford@certifiedchaplains.org) for questions.

### Upcoming features of the new membership section

- Dues and certification payments
- Shirt, apparel and promotional item sales
- Reprinting of certificates

Required annual CEU submissions for your tracking and continued ACCC Certification. Please note, attendees of the annual conference meet all requirements for annual continuing education.

Other features will be available as they are discovered and implemented. Please login and update your profile as soon as you can.
